Re: FOIA Request

Dear FOIA Officer:

This is a request under the Freedom of Information Act. I hereby request:

- All copies of records, documents, communications, and e-mails related to a rulemaking petition regarding “Rulemaking petition to reclassify psilocybin from a schedule I controlled substance to a Schedule II controlled substance” dated February 2, 2022, and sent to the DEA Administrator, including records evidencing the receipt of the rescheduling petition.
- All copies of records, documents, communications, and e-mails related to a request for waiver regarding “Access to Psilocybin for Limited Therapeutic Use Under State and Federal Right to Try Laws” dated February 10, 2022, and sent to the DEA Administrator, including records evidencing the receipt of the rescheduling petition.

The scope of this FOIA request is limited to records between February 1, 2022, and the present.

If you deny all or any part of this request, please cite each specific exemption you think justifies your refusal to release the information and notify me of appeal procedures available under the law.

If you have any questions regarding this request, please do not hesitate to contact me at [kathryn@emergelawgroup.com](mailto:kathryn@emergelawgroup.com).

Thank you for your consideration of this request and I look forward to hearing a prompt response within 21 days.

Sincerely,

A handwritten signature in black ink that reads 'Kathryn Tucker' in a cursive script.
